Dear [redacted]

The McLean Citizens Association accepts your offer to be a member of the advisory group you are setting up which will deal with the expansion of the CIA headquarters in McLean.

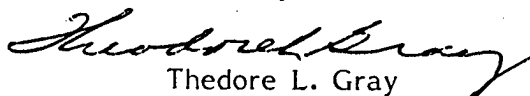

We would appreciate your sending us a copy of the membership list, the operating rules and any other materials relating to the functioning of the advisory group and the proposed development.

We request that we be allowed to have two representatives and two alternates.

We look forward to working with the advisory group and ask that you keep us informed on the status of these matters. You may contact me at my home address. [redacted]

As you know, the Ad Hoc Committee for Off-site Traffic To/From the CIA has been formed by the citizens residing near the CIA. The Executive Committee of the McLean Citizens Association strongly recommends that you also include this group as a member of the advisory group since the changes planned will directly impact them significantly. We believe all can benefit by full consideration of all points of view.

Sincerely,

Theodore L. Gray
President
